## MATROX AND POLYSTONE LINERS

### AFFORDABLE LINING FOR EXTREME CONDITIONS

Matrox® and Polystone® liners offer multiple grades of liner that allow flexibility in choosing the liner that best fits your budget and working conditions. Each liner we offer has outstanding properties, but comes with some subtle difference. Both Matrox® and Polystone® will out wear steel 2:1, and aluminum 4:1 in most abrasive environments. They also provide excellent insulation for heated loads.
